Middleton Cheney Newsletter

As we reach the end of a particularly successful year for our village it is perhaps time to thank everyone who has been involved in the many and varied events that have taken place in 2009. A very full programme including a Music Festival, a Village Fete, Month of Madness, Strawberry Fair, Art Exhibition, Flower and Produce Show and Village Hall Fun Day to name a few; and whilst all this was going on, our many clubs and organisations were doing their very best to involve their members in a wide variety of interests and activities throughout the village. Winning the County Village of the Year Competition (large villages) was the icing on the cake! Well done and thank you to the whole community.

It is with great sorrow that I have to inform you that Terry Stacey has sadly

passed away. Terry was invited by the Parish Council to act as our Responsible Finance Officer and it was his experience and understanding of financial rules governing local councils that enabled him to put the parish of Middleton Cheney in a fine monetary position. As a result of Terry's hard work during his time in office we have not raised the parish council tax bill, which is good news for everybody. His expertise and friendship will be sorely missed. I am sure you would all like to join me in wishing Caroline and the family well during this sad time.

Please take care of yourselves and each other at this special time of year - with best wishes for a ...

HAPPY CHRISTMAS!

John Rakestraw
Chairman
Middleton Cheney

The next issue of the Village News will be delivered in March. Please send all articles **by 12th February** to the Parish Clerk by email: clerk@middletoncheney.org.uk or by post to the Parish Meeting Room. Entries should be no bigger than half A5 page.

CO-OP PHARMACY- Michelle, Claire and the team would like to remind everyone that we offer free blood pressure tests and medication reviews in our private consulting room. We give confidential advice on minor ailments for adults and children and try to take the pressure off the surgeries at this busy time of year. Many conditions can be self-managed with over the counter treatments so ask us first before calling the doctor.

Our prescription collection scheme now covers Horsefair, West Bar and Hightown surgeries and we collect every Tuesday, so just ask and the surgery will put your prescription in our folder. This helps us manage our workload and stock levels more effectively.

Please order your prescriptions now for over Christmas as it is our busiest time of year. Many of you have three month repeats so check now if you will need anything. Late night opening until 6.15pm every Thursday and we are open on Saturday 9.00-1.00pm.

CHRISTMAS PAST IN MIDDLETON CHENEY - "At Christmas the bell-ringers used to go to the church at five o'clock in the morning and ring the bells until six, before going to work. They used to do this for a number of weeks before Christmas, for advent. My father told us that Father Christmas lived up with the bells, it never occurred to us to question this, we just accepted it. We used to write proper letters to Father Christmas and give them to Dad to take to the church. We'd hang our stockings by the fireplace, not in the bedroom - we daren't have him (*a man*) in the bedroom!

I remember one particular Christmas morning, my Dad was up early, getting ready to go to work to tend his horses and he heard me and my sister talking. 'Be quiet!' he said, 'He's coming...'

We hid under the bed clothes and Dad must have got a stick and rattled it up the chimney, so we'd think that Father Christmas was on his way down. 'He's gone' Dad called. 'He's gone over the fields to Purston!' We'd look in our stocking and there'd be an apple, an orange and a few sweets and always a doll. My sister always had the same as me. If we were very lucky there would be a new school bag or satchel.

My Father used to go and muffle the bells ready to ring the old year out at the end of December. He had to climb up the bell-tower to do this. Then the bell-ringers rang a muffled peal. Come midnight he'd go up the bell tower again, take off those muffles and they'd ring the new year in...!"

HISTORY SOCIETY - WANTED - GHOST STORIES! - Now that we have reached the season of dark nights and huddling round a cosy fire this seems like a good time to discover if there are any ghost stories associated with our village. So far we have just two but are convinced there are more out there waiting to be recorded. If you can help with this project please send your ghostly tale (anon if you wish) to Middleton Cheney History Society via clerk@middletoncheney.org.uk or drop a written copy in to the Parish Meeting Room. If we receive enough replies we will be pleased to share the stories with you at a later date.

“DON'T MISS THE BUS!” – This project has recently been set up by The Towcester Partnership to support the young people of the district. One of the problems in South Northants is that it is so rural it is very difficult for young people to get anywhere especially if they don't have their own car. So actually going out to see them with a facility like this is really going to build bridges. 'The Bus' can provide great opportunities for young people to meet for both social and leisure activities.

Fully fitted out to provide a safe meeting place for all 13 - 19 year olds, 'The Bus' has been modified to contain six Mobile Broadband Laptops, Electronic Games Consoles, TVs, CD and DVD Players, Radios and also comes with a supply of Books and magazines. The Double Decker ex band coach is believed to have been used by pop stars such as Kanye West and Shanai Twain, to list a few and has travelled all over Europe and Russia... The Double Decker Coach also features a fully fitted kitchen area, office and quiet lounge making the vehicle multi functional and the key focus at events. 'The Bus' can also supply impartial advice, information and workshops on issues relating to young people. These can include Healthy Lifestyles, Bullying, Self Esteem, Careers, Drugs, Alcohol and Sexual Health.

The Bus will be supervised at all times using qualified Youth Workers and Volunteers - so parents do not worry!

'The Bus' will be in Middleton Cheney on the following Fridays - December 4th & 18th / January 8th & 22nd / February 5th, 19th & 26th. SEE YOU THERE...!

MIDDLETON CHENEY AGE CONCERN - If you are over 55 you are very welcome to join us at 2 pm in the Village hall on the first Wednesday of each month. We are always pleased to see new members and hear new ideas; our aim is to promote the well-being of all older people and to help make later life a fulfilling and enjoyable experience. Our full programme of meetings includes music, talks, entertainment or slides on a variety of subjects, followed by a delicious afternoon tea. The cost per meeting is £1.50 and this includes a free raffle ticket. For more details please contact 710369.

The **POPPY CALLS** service aims to help give veterans and members of the ex-Service community the freedom to stay independent in their own homes. It is available in a number of counties and will be expanding nationally during 2010. This scheme is designed to offer help with awkward jobs such as minor repairs, or fitting essential devices such as smoke detectors and care phones.

Poppy Calls is offered to beneficiaries who qualify for assistance under The Royal Charter, which includes those who have served in the Armed Forces and their widows or dependents.

Services are already available in **Northamptonshire** and Poppy Calls have a centralised call centre which handles all the fitter appointments and ensures a consistent standard of service across the country. Contact them on 01480 478031.

SINAI DESERT TREK - ALZHEIMERS SOCIETY CHALLENGE - Jane Bullock has just returned from the adventure of a lifetime. Her challenge was to Trek 80 kms in 5 days with Bedouin tribesmen through the Sinai Desert in Egypt and her aim was to raise funds for a new service in Northants to be run by the local Alzheimer's Society. Jane has been astounded by the support from so many people in our village and will be telling us her story as soon as her feet stop aching! In the meantime can we ask that you return sponsorship money and smartie tube collections as soon as possible (before Christmas please). It's not too late to sponsor Jane and you can contact her via justgiving.com/janebullock or tel. 711531

BADMINTON CLUB - Are you interested in joining your local Badminton Club? Come and get fit and have some fun. We meet on Monday evening from 7pm until 9pm in Chenderit School Sports Hall. All levels are welcome. For more information please contact Helen Harman on 01295 712 073.

MIDDLETON CHENEY WOMEN'S INSTITUTE - Why not make it YOUR New Year's Resolution to join us? We meet on the 3rd Thursday of the month in the Village Hall at 7.30pm. We have speakers on topics of interest to our members together with mid-summer and Christmas socials. We also arrange visits to places of interest; the most recent one being to Westonburt Arboretum to see the autumn colours. For any information please contact Gillian on 713151.
