

AGE Concern

2016

As many of you know, the older we get the more difficult it is to do things.

This is like our committee – **WE NEED YOUNGER PEOPLE ON IT.**

We appreciate all the hard work and dedication of our present committee, however with members leaving us for various reasons we now find ourselves in dire straits.

As a group we are in desperate need of new members, both young and old. It is our aim to keep the club going – To do this we need your help.

If you know of anyone - Relative, Friend, Neighbour who would be willing to spare a few hours each month then please contact us.
